

Greetings!

We are pleased to announce the availability of [New Expressions](#) photo gallery! We hope the photos captured the essence of this fantastic event.

We highly recommend that you download your photo to see it in the best quality and full resolution and to have a personal copy of the photo on your computers and phones to be used as needed. The photos are downsized when viewed on the web but will download in their full resolution.

Download instructions:

- In the photo gallery, click the download button in the top left of the window and the photo will start to download to your computer or phone.

Please let us know if you have any questions or need assistance with the gallery. Thank you for choosing New Expressions!
